

## Tinker Creek Cycle – Back 40 Mountain Bike Race – June 7, 2009 - Revised

It was a very comfortable day for racing the lake trail at Colert Beach in Morden. We had 119 racers total, with many first time racers. It was a challenging but very fun rolling course and it seems everyone had a good time. Thanks to all the many volunteers who help with this race, the many marshals on the course, course prep the day before, clean up crew after, the guys who develop and maintain the trails, the medic, registration & food, commissaries and organizers. Thanks to all who helped, there are too many names to mention. Also a big thanks to the Town of Morden, Rocky Mountain Bikes and NoTubes.com. **But a BIG thanks to all who came out and raced the Back 40, YOU made it a success.**
